

RARING TO GO ... Naza TTDI Sdn Bhd and its construction arm, Naza Engineering & Construction Sdn Bhd, yesterday hosted Prime Minister Datuk Seri Najib Razak during a site visit to the Malaysia International Trade and Exhibition Centre (Mitec), which is set to be the country's largest exhibition venue once completed. (From left) International Trade and Industry Minister Datuk Seri Mustapa Mohamed, Naza TTDI deputy executive chairman and group managing director SM Faliq SM Nasimuddin, Najib, Naza Group joint executive chairman Datuk Wira SM Faisal SM Nasimuddin, Naza TTDI chairman and Naza Group joint executive chairman SM Nasarudin SM Nasimuddin, Deputy International Trade and Industry Minister Datuk Ahmad Maslan, and Malaysia External Trade Development Corp chief executive officer Datuk Dzulkifli Mahmud. Mitec is the nucleus of KL Metropolis — a 75.5 acre (30.55ha) mixed development that is envisioned to be the international trade and exhibition district for Kuala Lumpur. Leading the site visit was SM Nasarudin who said: "We are excited with the progress of Mitec, which is now 88% completed, thus on track to meeting our delivery to the government in August 2016."
