

ASTOUNDING MASTERPLAN

The launch of the 14,000 square feet KL Metropolis Show Gallery located at Naza Tower, Platinum Park in Kuala Lumpur is an opportune moment for Naza TTDI as Malaysia International Trade and Exhibition Centre (MITEC) begins operations the following year. With KL Metropolis' appropriately timed launch, it sequences a firmer shape of the overall masterplan which involves not only MITEC, yet defines KL Metropolis into eight distinct precincts: Met 1, Met 2, Met 3, Met 5, Met 6, Met 7, Met 8 and Met 9. MITEC is the first component of the 75-acre KL Metropolis and Malaysia's largest exhibition space with a gross floor area of one million square feet of exhibition centre and is able to accommodate 40,000 visitors at any one time. Naza TTDI collaborates for Met 5, a joint venture project with Hap Seng Land Sdn Bhd to build residential blocks and offices, and a 4-star hotel. Met 8 will comprise of two Class A office towers jointly developed by Triterra Metropolis Sdn Bhd. Collaborations with Nusmetro Property Sdn Bhd is underway for the development of 3.29 acres with three towers consisting of serviced suites, serviced residences and managed residences. Meanwhile, other precincts cover everything else from a destination mall with a nett lettable area of 85,000 square feet to luxury service residences, signature tower, wellness suits, KL Healthcare Travel Council and much more. ❖
