Showcase features projects by award-winning developers

Following the recognition of prestigious developers at the StarProperty.my Awards 2017, StarProperty.my invites all the award-winning developers to display their projects at a starry showcase event.

With the objective is to provide a reference point to the home seekers, the showcase fair, held in conjunction of the Awards, will present the most promising projects available on the market.

“StarProperty.my Awards 2017 is bigger and better than last year, with more support from the industry. We would like to thank the industry for giving us the trust to make this a better show and deliver even more value to them, in terms of recognition and awareness.” said Starproperty Sdn Bhd assistant general manager Ernest Towle.

The award winners who will participate in this showcase are Matrix Concepts Holdings Bhd, IJM Land Bhd, Gamuda Land, Mah Sing Group Bhd, Bon Estates Sdn Bhd, Worldwide Holdings Bhd, Sime Darby Property Bhd, Naza TTDI, Paramount Property, SP Setia Bhd, Tropicana Corporation Bhd, Eco World Development Group Bhd, Sunsuria Bhd, Malaysian Resources Corporation Bhd (MRCB), Perfect Eagle Development Group Bhd and IOI Properties Group Bhd.

Guocoland (Malaysia) Bhd is also one of the participating developers.

The showcase will be held at the at the Centre Court and Fashion Court of The Curve from March 30 to April 2, 10am to 10pm. Eastern Decorator, a home textile maker, is a sponsor of the event.

Homebuyers will stand a chance to win prizes worth up to RM10, 000. For more information, visit fair.starproperty.my.

Those who registered early online will also get to enjoy free subscription of The Star ePaper for three months. Interested participants can register at fair.starproperty.my/page/pre-reg-form/

Paper House

In addition, StarProperty.my has collected a host of quality projects from the developers into a book titled "Malaysia's Most Exceptional Developments 2017/2018", available on the The Star Online Bookstore (bit.ly/ctb2017).

These developments, grouped in different categories, include humble starter apartments, home-ly landed houses, impressive high-rises, chic neighbourhoods, hassle-less Transit Oriented Developments (TOD) and more.

The various developments feature in this book serve to be an effort to honour the developers that has helped to build up the country, while providing a light house to those in search of a home of their own.
